

## **WARSHIP HOBBIES FORUM**

The primary mission of Warship Hobbies Forum is to offer warship modeling enthusiasts and beginners an opportunity to communicate with others of like interests. Participants may ask questions, respond to questions, offer modeling tips and provide comments related to the warship modeling hobby and the history surrounding World War II ships.

The environment is intended to be pleasant and enjoyable. The rules for participation are intentionally simple. We ask that you respect these rules and the individuals who participate along with you in the forum. Registration for participants is free.
